## Notice To All Applicants: Options for Applicants with Disabilities or Handicaps

The Muscogee (Creek) Nation Dept. of Housing is not permitted to discriminate against applicants on the basis of their religion, sex, family status, disability or handicap. Compliance actions may include reasonable accommodations as well as structural modifications to the unit or premises.

A reasonable accommodation is some modification or change that we can make to the policies or procedures that will assist an otherwise eligible applicant with a disability to take advantage of the programs under which we operate. Examples of reasonable accommodations and structural modifications include, but are not limited to:

- Making reasonable alterations to a unit so it could be used by a family member with a wheelchair;
- Installing strobe type flashing-light smoke detectors in an apartment for a family with a hearing-impaired member;
- Permitting a family to have a seeing-eye dog to assist a vision-impaired family member where existing pet rules would not allow the dog;
- Making large type documents or a reader available to a vision-impaired applicant during the application process;
- Making a sign language interpreter available to a hearing-impaired applicant during the application process;

- Permitting an outside agency to assist an applicant with a disability to meet the property's applicant screening criteria.

An applicant family that has a member with a disability must still be able to meet essential obligations of Elderly rental--they must be able to pay, to maintain their home in a safe and sanitary condition, to report required information to the Dept. of Housing, to avoid disturbing their neighbors, etc., but there is no requirement that they be able to do these things without assistance.

If you or a member of your family have a disability or handicap and think you might need or want a reasonable accommodation, you may request it at any time in the application process or after admission. This is up to you. If you would prefer not to discuss your situation with management, that is your right.

The next page of this application is a *Housing Requirements Questionnaire*. If you wish to complete the document and provide management with information regarding any family member with a handicap or disability, please do so. If no family member has a handicap or disability, or if you do not wish to complete the questionnaire for any reason, please indicate so, sign the form, and return to Counselor.
